

LITTLE SHELL TRIBAL HOUSING DEPARTMENT Housing Assistance Program –Appliance Upgrade

Program Summary

The Little Shell Tribal Council established the Housing Assistance Program (HAP) to improve the housing conditions of Little Shell tribal homeowners by replacing, removing, or repairing housing defects. The Tribal Council has recognized the need to ensure that our members have energy efficient appliances that are reliable and dependable.

The HAP Appliance Upgrade Program will provide appliance upgrades for appliances that do not meet current energy efficiency standards. Additionally, all major appliances will be evaluated for safety issues and replaced as necessary to mitigate any issues identified. Appliance upgrades will require a home inspection by the Housing Department HAP Coordinator to validate the need for upgrades and to determine replacement specifications.

Appliances Eligible for Upgrades:

- Refrigerator / Freezer Combo
- Gas Stove / Electric Range
- Dishwasher
- Hot Water Heater
- Clothes Washer
- Clothes Dryer

For all questions, please email LittleShellHousing@lstribe.org or call (406) 315-2400. The Housing Department is scheduling in-person consultations to provide help on the application **by appointment only**.
